MULTIPLE TEXTURED INTERIOR COMBINATIONS IN PERFECT COLOUR HARMONY

The best human skills meet the most innovative technology, creating the finest additions and accessories for the automotive industry.

From leather car seats to dashboard parts; door panels to steering wheels; and gear knobs to travel accessories. Our distinctive products can be found inside most of the major car manufacturers worldwide.

TOP QUALITY LEATHER AND FABRIC INTERIORS FOR COMFORT AND VALUE

All of our products are certified & tested by independent testing house, whether it's just a seat repair or complete re-trim of your vehicle we've got the skills & experience to do the job.

ATTENTION TO DETAIL AND ENSURING THE USE OF TOP QUALITY MATERIALS

Whatever the work, Transcal promise all our customers the highest quality of design, assembly and quality control. By using the finest leather supplied from the best tanneries around the world, skilled craftspeople and the most innovative manufacturing process, we deliver the most durable, safe and attractive automotive products on the market.
